Go HD with the new HDDSR600

On July 4, Shaw Direct introduced Canada's smallest, most affordable and powerful HD satellite receiver. The new Essential HD Receiver (600) provides advanced technology including the interactive On-Screen Guide with 14-day look ahead, dynamic search, and enhanced parental controls. It's also MPEG-4 and 1080p compatible making it future-ready. And, for only \$99.99, the decision to upgrade to HD has never been easier.

Surge Protection

Dual line protection for the HDPVR630

\$79.99
